

Scrapbooking Contest

Each county beef queen is encouraged to keep a scrapbook to reflect on her reign as queen. All county queens who submit a scrapbook for the Ohio Queen of Beef competition will receive an additional five points. On the day of the interviews and banquet all of the scrapbooks will be judged based on: creativity/originality, neatness, content, story line and completeness. The scrapbook contest score sheet can be found online at www.ohiocattlewomen.com to review how the contest will be judged. Each queen who submits a scrapbook will receive the additional five points, regardless of whether she wins the scrapbook contest.

These scrapbooks will then be displayed at The Ohio Cattlemen's Annual Meeting and Awards Banquet in January.
